# What is a DishChair?

- A dish chair has a round shape with wide dimensions that makes sitting it in very comfortable.
- The frame can be made of metal, plastic, wood, or wicker.
- The cushions come in a range of bright colors and designs that lighten up any room.
- They are funky and usually appeal to a younger market, but everyone loves them.

# How Much is a DishChair?

- In addition to the comfort and convenience of this remarkable chair, the price is also nice. In general, the cost of a dish chair ranges from \$35-\$100. With dish chairs you get all the comfort of a recliner at a very low cost, which is why college students find them so appealing. Even students on a limited budget will be able to scrape up enough cash to buy this chair.
